

# Christmas Update 2020

**Dear Parent/ Carer,**

Christmas is undoubtedly going to look different this year. But in school, we want to try and make it as magical and fun for the children as we can. This update tells you about some of our plans for the remaining weeks of term. There is much speculation about when term will end in December, but until we are guided by official advice, we will be aiming towards our planned finish on the 22<sup>nd</sup> December. Should that change, we will do our best to move things around to try and make sure our children don't miss out.

## **Festive Fridays!**

Fridays are going to be extra fun! We've planned a number of events for children that they can do within their class bubble. You can see them on the calendar below. To add to the festive frolics, children can come into school on Festive Fridays wearing Christmas accessories. Continue to wear your uniform but add on Santa hats, tinsel, headbands and glitter – whatever you've got! Save your Christmas jumper though for our official Christmas Jumper Day!

## **Christmas Cards**

Each class will have their own Christmas Post Box. If children want to give Christmas cards to their friends, they can put their cards (remember the name and class on the envelope) in the Post Box during the week. School will collect these in on Friday and they will be 'posted' around the school on the next Monday for children to take home.

## **Christmas Gifts**

As a school we are conscious that Christmas can be a tight time financially and even more so this year. Our staff love working with your children throughout the year; working in a school with kids brings many rewards and benefits on its own. We know that some parents and children like to give a gift at Christmas to the adults who help look after them in school. This is really generous and always appreciated, but please, don't feel under any pressure to do so, particularly this year. Seeing your children happy, settled and enjoying taking part in the Christmas fun is a gift in its own right.

## **Nursery/ P1 enrolment (not strictly Christmas!)**

As well as running Christmas events this month, staff in school will be working hard to promote the school to potential new Nursery and P1 parents as their enrolment process opens up at the start of January. We've got a wonderful, nurturing school here, full of fantastic learning opportunities for children, so please encourage your friends and families to consider West Winds Primary and Nursery when they are thinking about schools for their little ones next September.

You, and they can find lots of information on our new pupils page on the website which will go live on the 10<sup>th</sup> December.
